# HOME INSPECTION EXPERT

*Your home deserves expert eyes—  
we make sure nothing is overlooked.*

## ABOUT HOME INSPECTION EXPERT

Home inspection Expert is a professional engineering-based inspection company. We help home buyers, owners, and builders identify construction defects, safety issues, and finishing problems before it's too late. We bring over 19 years of construction experience and use advanced tools like thermal cameras, moisture meters, and BOSCH defectors to ensure your home is safe and ready.

## WHY CHOOSE US

- 18+ years of real construction experience
- Certified and trained engineers
- Advanced inspection tools
- Quick digital reports (24 hours)
- Honest, independent, and unbiased service

# HOME INSPECTION EXPERT

COMPLETE INSPECTION, CLEAR REPORTS.

## OUR SERVICES

### **Pre-Purchase Home Inspection**

Full check before buying a home (structure, plumbing, electrical, finishing).

### **Multi-Stage Construction Inspection**

Inspect during key stages: foundation, frame, finishing and handover.

### **Dampness & Waterproofing Audit**

Detect hidden moisture or seepage, especially for coastal homes.

### **Plumbing & Electrical Inspection**

Check all wiring, outlets, drainage, and plumbing systems.

### **Rental Property Inspection**

For tenants and landlords, assess property condition before move-in or handover
